

**\*\*Terms and Conditions for Paid Registration for ISMG Cybersecurity Week 2025 \*\***

## Introduction

This year, the flagship ISMG Cybersecurity Summits held in Bengaluru, New Delhi and Mumbai are celebrating their 10th anniversary! To mark this milestone, we have transformed our flagship summits into a single, powerful event - **ISMG Cybersecurity Week 2025**.

Thank you for registering for the **ISMG Cybersecurity Week 2025** (hereafter referred to as "Summit"). Whether you submit your registration personally or through a proxy, the Summit's Terms and Conditions (hereafter referred to as "Terms") apply to you. "Attendee" for purposes of these Terms will include all participants at the Summit, including Exhibitors and Attendees. By participating in this Summit, you agree to these Terms, so please read them carefully and thoroughly.

**Information Security Media Group** (hereafter referred to as "ISMG"), the organizer of this Summit, reserves the exclusive right to restrict or deny access to any entity or individual at its sole discretion. You must be 21 years of age or older to be eligible to participate.

These Terms govern your registration and participation in the Summit.

## Accuracy of Information

Attendees must provide accurate and complete information during the registration process. Any false or misleading information provided may result in the rejection of the registration or denial of access to the Event.

## Payment

Registration fees are due at the time of registration unless otherwise specified. After registration, the payment link will be shared with the Attendee via the email address provided. Payment must be made in the currency specified by the Event organizers. Failure to pay the registration fees may result in the cancellation of the registration.

## Confirmation

Upon successful registration and payment, Attendees will receive a confirmation email with details of their registration. It is the Attendee's responsibility to retain this confirmation for reference.

## Cancellation and Refunds

### **Delegate Cancellation and Refund Policy:**

Registration fees are non-refundable. If you are unable to attend, you may nominate another person to attend in your place. To transfer your registration to another attendee, please email us at **smishra@ismg.io** with a copy of your original Event ticket and CC the person to whom you'd like to transfer the ticket.

### **Event Cancellation or Rescheduling**

In the unlikely event that ISMG cancels the Summit, attendees will receive a full refund or the option to transfer their registration to a future ISMG event.

If the Event is rescheduled, all registrations will automatically be moved to the new date. Attendees who are unable to attend on the rescheduled date are eligible for a full refund upon request.

### **Force Majeure Clause**

ISMG shall not be held responsible for any cancellations or changes caused by natural disasters, pandemics, government regulations, strikes or other unforeseen circumstances beyond our control. In such cases, ISMG will make reasonable efforts to reschedule or provide alternative participation options.

## Substitution and Badge Policy

Substitution of registrations can be made at any time until the start date of **ISMG Cybersecurity Week 2025**, but substitutions must be within the registered Attendee's company. All substitutions require ISMG approval and are subject to discretion.

Attendee badges/credentials cannot be shared at any time. Badges/credentials are issued exclusively to the registered Attendees, who must collect and wear them at all times during the Summit. ISMG reserves the right to dismiss any Attendee violating these rules and may also prohibit their participation in future ISMG Summits.

An **ISMG Cybersecurity Week 2025** badge for a specific location grants entry to the overall Summit at that location only; however, it does not guarantee admission to every session, lounge or meeting area. Admission is subject to venue capacity and additional criteria. For example, certain sessions may be restricted, by invitation only, with access only to preregistered Attendees.

## Use of Multimedia at the Summit

To comply with global data privacy laws, ISMG imposes certain restrictions on the use of multimedia at its events (e.g., photography, video and audio recording, online streaming, and all upcoming forms of media). An Attendee is permitted to use hand-held cameras and/or smartphones to take photographs and capture digital images for personal, non-commercial use, provided the photography does not cause disruption. These photographs must not be published, sold, reproduced, broadcast, distributed or used for commercial purposes.

ISMG may hire professional service providers (photo/video/streaming/audio) to document and display the Event experience. ISMG may also use social media (e.g., Twitter, LinkedIn) to: (i) post real-time photos and videos to its social media feeds; and (ii) display select submissions from those

feeds on monitors throughout the Event venue. Attendees and sponsors are encouraged to capture their Event experiences and post their content on social media from the Event (text, photos, audio, video, streaming), provided it does not infringe upon the rights of any Attendee, sponsor, third party or ISMG. Such infringement would include, but is not limited to, defamation or infringement of intellectual property rights. In the Event an Attendee requires a release or permission to protect the rights of a third party, obtaining such a release or permission shall be the sole responsibility of the Attendee.

By attending the Event, you acknowledge and agree to the following: (a) ISMG reserves the right to edit and use footage it captures at the Event for marketing, promotional activities and any other lawful purpose as part of its normal business operations; and (b) considering the prevalence of mobile recording devices in today's world, ISMG disclaims all liability for the capture of your image in any multimedia format by other Attendees at the Event.
